JOIN US FOR ILLUMINATION

A vibrant Halloween party where artistry and philanthropy unite. Set amidst a radiant spectacle of interactive installations and glowing processions, this event is more than just a celebration. It's a chance to support rare disease research, specifically RVCL, in a playground of light. Engage with illuminated characters, participate in fiery parades, and immerse yourself in the delightful luminosity. Your participation helps us shine a light on the path to discovery. Let's illuminate the night, and the future of RVCL research, together.

When

SATURDAY, OCTOBER 26, 2024

DINNER: 7:00 PM - 9:00 PM // HALLOWEEN PARTY: 9:00 PM - 2:00 AM

Where

MOONLIGHT STUDIOS

1446 W KINZIE ST., CHICAGO, IL 60642

What

This year's Illumination Halloween experience will be "elevated" to new heights as we invite guests to "float" through a hauntingly beautiful and unique environment.

Throughout the evening you will meet curious characters that will share a story of oneness through a series of performances and one-on-one interactions. If we come together as a community to help one another, we can push much further than where we can go on our own.
